## Bugle Monthly Essay Contest

"Should the Americans Be in Viet Nam?" was an essay question tackled by every Grade 9 student in a 45-minute Social Studies period under exam conditions on May 11. From the 90 students, 13 essays were culled for a more selective evaluation. The standard of the content and expressions of opinions revealed that much research and general preparation had taken place. Again the editors had most difficult task in making their comparative assessments. Placed first was Rhonda Steil and second, Leslie Carlson. Kikie Loustarinen wrote an excellent dissertation, but it was rather lengthy. Two essays were received from the

three Grade 8 classes. It was anticipated that there might have been more since the students had recently completed a Social Studies project on Viet Nam which they had engaged in research at the school library.

The Editor wishes to thank Mr Brian for his interest and encouragement with Grade 8 and 9 students for their participation in the Bugle Essay Contest. The Students, particularly the prize winners, are to be congratulated for their splendid efforts.

The essays published in this issue concludes the contests until the commencement of the next school term.

stopped, better relationships between countries and is beginning to result in a threat to world peace.

It is even thought by scientists that these bombing raids should be stopped and peace established. The chemical weapons used cause long-range hazards and are effective years later.

The cost of this war to the American nation must also be considered. Many people feel that too much money is being spent on a hopeless cause since neither the Americans nor the communists will succumb to the other's wishes.

Both the United States and North Viet Nam will preserve until something results to end this war. If North Viet Nam yields, it will be humiliating for them and will mean the loss of another state. The communists feel that if a country will not revert to communist rule, it must be taken by force, and they will keep trying. If the United States stops bombing and lets the Vietnamese settle their own affairs, South Viet Nam will probably be taken over by communism. After this, they would find it quite easy to convert the surrounding region to communism. In this way, little by little, they would hope to control the entire world.

President Johnson is determined not to withdraw his troops until the North Vietnamese have withdrawn their forces. In this cruel, savage war both are unyielding and neither will give in. Perhaps the only way to negotiate a peace settlement is for the United States to stop bombing. Whatever the decision made, everyone feels that justice and peace must be brought to the people of Viet Nam.

munism. It is for this reason that the American, Australian and New Zealand forces (among others) are sweating away in the jungles of Viet Nam. These soldiers are trying at a great price, to control communism. And they are doing it for many ungrateful people.

On television recently, a meeting of these "ban-the-bomb" maniacs was broadcast. Not one looked like decent, law-abiding citizen. They were so busy organizing riots that they had no time to find out what was really happening. They wanted the American troops withdrawn from Viet Nam. Their reason? The poor Vietnamese were suffering abominably! Besides, they might get drafted! What a pity! Such is the price of war and freedom.

In reality, these citizens never had it so good. What with American food, medical supplies, etc., they are living like kings, according to their standards. The number of people killed by bombs, etc., is far surpassed by the number who starve to death every day. To reiterate, they never had it so good!

How does communism spread? There are two methods: through force and by propaganda. It is people who are never happy with what they've got, those who are ignorant of their fortunes, those who are looking for something different that communism thrives on. These people, whether they know it or not, are spreading communist propaganda for them. Then, when there are enough sympathizers, in they march and out marches freedom from fear, freedom of speech, and freedom of worship. It is unfortunate that the enemy believes that the protesters in America are the majority of the nation's inhabitants. Since they hear mostly of anti-American this and anti-American that, they feel doubly encouraged. Let them be so. It will be a case of pride going before a fall when the Americans win. The other, and less popular method of annexation is the forceful method. Communist armies march in, and, like a swarm of locusts devouring a crop, everything falls — or so they hope!

Suppose the American troops were withdrawn from Viet Nam, and suppose they minded their own business like so many people want them to. Slowly, but surely, communism would take over the world.

Should Australia and New Zealand be in there? Definitely! They have to defend their own countries from advancing communism.

Should Canadians fight in Viet Nam? Not yet, but if things get out of control, by all means. After all we do live next door to the

United States, and it would be terrible to sit by and watch a friend in need fall to the mercy of communism.

Why don't the Americans just drop a bomb on Hanoi and end it all? This could end the fighting in Viet Nam, but it could also start a third world war. Or, as in the case of President Kennedy and Fidel Castro, they might just shy back because one nation is as powerful as the other. It's just like saying, "If you drop that bomb on us, you are signing the writ for your own execution".

The war in Viet Nam will probably be going on for a long time, but, if the American troops are withdrawn from that country, it will end a lot sooner, with the communists victorious. We can, and must not let it happen!

### DAY — JUNE 10 NATIONAL ARMED FORCES

National Armed Forces Day, 1967, will be observed this year on Saturday, June 10.

Introduced in 1965, Armed Forces Day is intended to provide the public with an opportunity of learning more about the roles and missions of the Canadian Armed Forces, regular and reserve, and how they are carried out.

The second Saturday in June is set aside annually for this purpose. In some localities this year, centennial celebrations will have precedence but Armed Forces Day will be observed in some tangible way by all commands. For example, many forces officers will address civilian organizations across the country on the achievements of the forces.

In Ottawa, Armed Forces Day will be held in conjunction with the 50th anniversary of military flight in Canada with special displays at CFB Rockcliffe.

### Department of National Defence May 8, 1967.

Two regiments of the Royal Canadian Horse Artillery have sent members to Expo-67 in Montreal where things are booming.

The 2nd Regiment from CFB Gagetown, N.B., has a salute troop with 105mm howitzers firing salutes for VIPs and returning scores of salutes from warships of the world calling at Expo.

The 4th Regiment from CFB Petawawa, Ont., refurbished a nine-pounder gun of a type used in the North West Rebellion of 1885 and fire it daily as a noon gun at the Canadian pavilion. The detachment wears full RCHA dress uniform for the duty.

### SHOULD AMERICAN TROOPS BE IN VIET NAM?

by Rhonda Steil

Due to their participation in the Vietnamese war, the Americans have been regarded by some countries as an aggressive and meddling nation. However, if we contemplate the reasons for their participation in this war, we find that they are indeed justified in doing so. To begin with President Johnson pledged his nation's help to South Viet Nam in the event that they needed it. As the communists advanced of food, medical supplies, and ammunition, refuse to help a desperate, floundering country? The United States could not desert South Viet Nam after guaranteeing aid. This aid in manpower and supplies has helped to slow down communist advances. Increased American effort has lowered the moral of the Viet Cong in the north and made them realize that they cannot

take over any country they like. For this help the Americans should be praised, not criticized, because slowing down communist advances in any part of the world is beneficial to all the people of the world.

However, there are other sides to this question. What about all the suffering and maimed people who are innocent and haven't done any harm. Because of these poverty-stricken and starving people, many feel it would be better for the Americans to stop fighting in this war and let the Vietnamese settle their own affairs according to the 1954 Geneva Convention. Even some South Vietnamese, whom the Americans are trying to help, wish they were not in Viet Nam. Their people were not suffering and fighting among themselves until the Americans began bombing.

In addition to this, if bombing by the United States were

### SHOULD THE AMERICAN TROOPS BE IN VIET NAM?

by Leslie Carlson

Nearly everyone from the youngest school children to the oldest grannies in rocking chairs is familiar with the term Viet Nam. The meaning varies with the age level, but to everyone it signifies war, a war which is perhaps the most controversial to be fought.

Hardly a day goes by that does not contain a fragment of news connected with Viet Nam, whether it is a detailed account of a bombing raid, or a report of some wild demonstration on the campus of some famous university. Usually, the protesters are just "ban-the-bomb the world will-end-tomorrow" type maniacs who are completely ignorant of the facts concerning the war. Most inhabitants of the western world dread the spread of com-

CANADIAN ARMED FORCES MOTORCYCLE TEAM  
TO PERFORM AT HAMILTON GAULT BARRACKS

The bark of the drill sergeants will be replaced by the bark of exhaust pipes as magnificent men on their noisy machines provide a thrilling display of motorcycle trick riding, precision driving and free wheeling spectacle.

The Canadian Forces Motorcycle display team will be performing on the parade square at Hamilton Gault Barracks at 7:30 p.m. June 7.

The 30 daredevils from the Royal Canadian Corps of Signals are providing an opportunity for service personnel and their dependents at CFB Edmonton to view a performance which will be one of the highlights of the Centennial Tattoo performance at Expo.

The show which is free of charge to all personnel and their families will feature such acts as 17 men stacked on one motorcycle, 15 riders forming a pyramid on five bikes and other driving through hoops of fire and brick walls.

The team which was trained at Vimy Barracks in Kingston, Ontario, refer to their crowd-thrilling stunts as "Jimmies." A front jimmie, for instance, involves a man standing on one leg with his arms outstretched in a position similar to Mercury, the winged messenger of the Greek Gods. Mercury is the symbol of the Corps cap badges known to "sigs" around the world as Jimmy.

There is only one restriction for those attending this free show: All children 12 years of age and under must be accompanied by an adult.

So gather the family and come to Hamilton Gault Barracks parade square and see the "sigs" perform their spectacular "jimmies" at 7:30 p.m. on June 7.

1967 ROYAL VISIT  
COMMEMORATIVE STAMP

A special Royal Visit stamp will be released by the Canada Post Office on the 30th of June, 1967, to commemorate the Centennial Year visit of her Majesty

Queen Elizabeth II, Postmaster General Jean-Pierre Cote announced recently.

The stamp is being made available on the eve of Canada's 100th Birthday, July 1st, when the Queen, accompanied by her husband, His Royal Highness the Duke of Edinburgh, will take part in ceremonies at Ottawa, the Nation's Capital. On the 3rd of July the Royal couple will visit Canada's Centennial World Fair, Expo 67, at Montreal; late in the same day they will sail through the St. Lawrence Seaway aboard the Royal Yacht Britannia for an overnight anchorage near Kingston, Ontario. Later in the month,

His Royal Highness will visit Winnipeg to open another Centennial year event the Pan-American Games.

The Centennial Royal Visit stamp is of medium size and horizontal in format. To the right, in purple, it features an engraving of Her Majesty's likeness from a photographic portrait secured by Anthony Buckley of London, England; to the left, also in purple, appears Canada's official Centennial symbol and the dates 1867-1967. The remaining elements of the design, including a symbolic branch of laurel leaves framing the Royal image, are printed in gold on a lighter gold background. It was produced by the intaglio steel plate process by the designers, Canadian Bank Note Company Limited, Ottawa, who will print the full issue of twenty-seven million stamps.

#### Sorry about that

Armed Forces pilots who train on the Prairies and aren't sure where they are flying use an old dodge.

They pick the name of the community off grain elevators, and find their way from there.

But there are too many towns called Purina. At any rate, that's the standing joke of the forces flying fraternity.

## The Armed Forces of Canada

As one of the observances of lined from its earliest beginnings centennial year the Department of National Defence is publishing a 270-page history, The Armed Forces of Canada, 1867-1967, which will be available late this spring.

For the first time, the story of Canada's Navy, Army and Air Force from the year of Confederation to the present day is told in a single book, designed to appeal to a wide readership. Edited by Lt.-Col. D. J. Goodspeed, senior historian of the Canadian Forces directorate of history at Ottawa, the new book contains 250 photographs, including 35 in color some of which are reproductions of paintings in the National Gallery of Canada.

As an introduction, the military history of Canada is out-

lined from its earliest beginnings — armed encounters with the Iroquois, the Anglo-French struggle for North America, the defence of Quebec in the American War of Independence, the War of 1812 and the Fenian Raids.

Most of the book deals with the period after Confederation — with the two Red River Expeditions, the Nile Voyageurs, the South African War, the First and Second World Wars and the Korean War, as well as the changing scene during the periods of peace. Separate chapters are devoted to the development of the Canadian Armed Forces in the nuclear era that has prevailed since 1945, and to Canada's part in peace-keeping operations around the world.

## Boy Scouts of Canada

### Be Prepared

Time is quickly closing in on the finish of another year of Scout and Cub activities. On behalf of the committee I would like to say thanks to our uniform leaders for their co-operation in the past season. Soon the classroom activities will cease and your charges will be looking forward for summer camp and completion of star requirements which can only be done in the summer months.

It is the intention of this committee to commence the new Scout year early in September. We hope to organize registration for the 5th of September and have the whole show on the road by mid September.

So be prepared.

### 2nd Griesbach Brownie Pack

We are very happy for Gloria Davies who earned her Golden Hand and has flown up to Guides, also earning their Golden Bars were Linda Hayden and Diane Boucher. This past month has been a very busy one for the pack, they have solicited for blood donations, attended the

frolic, fly-up, church parade, mother and daughter banquet and had their cookie day. We also had Mrs Van der Hoef join us as our Tawny Owl and are very pleased to have her with us. Now the Brownies are looking forward to the revel in June which will end the Brownies many activities for this Brownie year.

### 5th Griesbach Brownie Pack

On May 3 while Brownies from No 2 Pack, No 4 Pack and No 5 Pack formed their Fairy Ring with Brown Owls, Mrs Moore, Mrs Turner and Mrs Rutherford, Guides from No 2

and No 3 Companies under direction of Lt Mrs Rose formed their Horseshoe as the start of the Fly-Up ceremony in which Brownies, Barbara Berry, and Janet Henderson No 5 Pack received their "Wings" from Brown Owl Mrs Rutherford. Parents of the girls attended the ceremony.

Sixers appointed: Susan Morey, Carol Graig and Gail Aulenbach.

Seconds appointed: Adrienne White, Vera Mazeroll.

1st Year Star: Pauline White.

### 6th Griesbach Brownie Pack

At the church parade which was held on April 16 the following girls were presented with their Junior Religion in Life emblems:

Pattie Whitehead — UCC

Beverly Smith — ACC

Andrea Webb — ACC

Congratulation girls.

The Guiders of our pack would also like to take this opportunity to thank all the girls who so willingly helped out on the blitz, paper drive and the Centennial Church parade.

#### OPERATION "HAY LIFT"

A Canadian Army helicopter became a mobile feed bin for over 50,000 cattle stranded without feed in the worst blizzard to hit southern Alberta in many years.

A CH-113A Voyageur helicopter from the Transport Helicopter Platoon based at Canadian Forces Base Edmonton was sent to the Claresholm area in a response to a request for aid from the Emergency Measures Organization.

Shoulder deep snow held the cattle trapped in the open fields where many newborn calves died under the wet heavy snow.

Ranchers were unable to leave their homes to get feed to the cattle because of the huge snow drifts left in the wake of a record snowfall of over 63 inches for the month of April.

The first Army helicopter in to the Willowcreek area was piloted by Captain M. C. MacIsaac and Capt. G. C. Walker with Staff Sergeant F. G. Nash, crewman, handling the loading with the assistance of ranchers. RCMP officers civilian volunteers. When he wasn't filing stories, a member of one of the news wire services also helped load bales of hay.

In five days( Capt. MacIsaac and his crew airlifted 104 tons of hay to over 50,000 head of cattle spread over 1,181,500 acres on 50 ranches in the Willowcreek area.

Another helicopter from the CFB Edmonton based platoon joined the operation on the 3rd and 4th of May. Captain Leach and Binney with crewman Sgt. Flug hauled 47 tons of hay during that two-day period.

Members of the 18th Field Regiment RCA (Militia) were busy in the town of Lethbridge working in any capacity that would be of help to the citizens. Soldiers went from door to door checking to see if residents required any assistance and obtain-

ing groceries for those who were unable to leave their homes.

Communications personnel from the Headquarters, 1 Signal Squadron, Calgary, were stationed in the area to pass directions to the helicopters. Major James Taylor of Calgary directed operations during the airlift working in co-operation with the Emergency Measures Organization.

In addition to the Canadian Army helicopters, United States Air Force, Alberta Government and civilian whirlybirds served as ambulances, feed wagons and mobile shoppers for the storm-battered area.

More snow flooding conditions in the surrounding area created the need for a second airlift and on the 11th, 12th and 13th of May, two Army helicopters were busy in the Lethbridge area.

As a memento of their services to the Claresholm area, the men of the first helicopter into the area and the one which lifted the most feed to the cattle, received a gilded hay bale hook from Mr. J. T. Slemko, co-ordinator for the Willowcreek Emergency Measures Organization.

As Mr. Slemko stated in his letter, the memento was to express in a small way the appreciation felt by all for a job well done.

#### SQUARE DANCING NEWS

The "Happy Hercs" Square Dance Club is drawing near the end of a very successful season. Over forty new members learned to square dance this past year, giving us a total of sixty members.

In addition to learning to dance the club enjoyed many dances in the Edmonton area.

There are several big dances planned for Edmonton this summer as well as some outside our area.

All of the following are of interest to most square dancers:

The Happy Hercs will hold their wind-up dance on June 6 with strawberry shortcake for a treat. June 13 is our social evening and anyone who might be interested in discovering how easy it is to become a square dancer is invited to attend as our guest.

This will be an informal but informative gathering. We feel that if you could see what goes on at a beginners group, and get an idea how a club is run, it would help you to make up your mind about learning to square dance next fall. So drop in on us Tuesday, June 13, at Guthrie School Gym, time 8:00 p.m. Everyone is most welcome.

The "Really Bib Shooow" will take place at Bonnie Doon high school on June 24 when the famous Lee Helsel of Sacramento, Calif., will be our caller.

On the 1st of July week-end the town of Hinton will host a dance with Earl Parke as caller Friday, June 30, and Lee Helsel Saturday, July 1.

Three dances are to be held in Edmonton during Klondike Days, July 22 at Ross Sheppard High, July 26 at Bonnie Doon, and July 29 at Ross Sheppard High. Then

there is the six-day dance at Penitton from August 7 to 12.

On September 2 the Alberta Centennial Square Dance at Stettler Memorial Arena, with camping facilities at Rochon Sands Prov. Park, a corn roast on Sunday for the whole family.

Well that covers the busy summer activity so let's stow away the tents and trailers and get back to the "Happy Hercs" square dance club and prepare for our fall opening.

We will run a beginners class again next year with Wednesday evening as our meeting time. The regular club dances have been set for Tuesday evenings.

Our regular dance club is scheduled to open on Tuesday, September 12, while the beginners group will register and hold the first class on Wednesday, September 13, both dance groups meet weekly.

Have fun on your vacation and we hope you run into a square dance along the way instead of a moose. Drive safely that we may see you in September, in a square — not a cast.

Mel and Doris Pound.

#### Correction

In the end of April issue of the Bugle I reported that Doc Risser was the holder of a 2nd Label St Johns Ambulance Certificate. This was incorrectly submitted so both I and the proofreader have both wrists slapped with a wet shoelace.

Our amiable friend, Sgt Ed Risser holds 3rd Label St Johns Ambulance. This is about three steps higher than the medallion and there are not too many in the Canadian Forces holding this qualification. Sorry about that — "Doc".

## Receives Appointment

Canadian Forces Headquarters announces the following appointment of director of postings and careers (Army) at Canadian Forces Headquarters in May.

As an interim measure Colonel Malcolm Turner, 46, of Saint John, N.B., now District Officer Commanding Nova Scotia District, will be appointed District Officer Commanding Newfoundland District in an acting capacity on May 15. He will also continue to hold his present appointment.

**COL. ROCHESTER COMMANDS  
NEW AIRBORNE REGIMENT**

Colonel Donald H. Rochester, Toronto, will command the new Canadian Airborne Regiment which will be organized later this year as part of Mobile Command.

Formation of the regiment was announced last December.

Col. Rochester has been posted to Headquarters, Mobile Command at St. Hubert, Que., to form the nucleus of his regimental headquarters which will start work immediately as a planning group.

For the past three years, Col. Rochester has been commander of Canadian Forces Base Chilliwack, B.C., and commandant of the Royal Canadian School of Military Engineering.

A qualified army parachutist since 1946 Col. Rochester has been sports jumping regularly with the CFB Chilliwack Sky Divers for nearly two years.

During the period 1962-64, he

served a double tour of duty with the United Nations Emergency Force in Egypt as commander, Canadian Base Units Middle East.

The new airborne regiment he is slated to command will be a tactical group, about 1,200-strong, composed of two small infantry parachute battalions one light infantry battery, one engineer squadron and a headquarters and communications company.

Each infantry parachute battalion, commanded by a major, will contain a support company, three rifle companies and a reconnaissance company.

Officers and men from units already in existence will serve in the airborne regiment for a tour of duty on a volunteer basis.

#### Appointment Announced

Canadian Forces Headquarters announces the following appointments:

Captain P. H. Gayley 43, of Toronto and Ottawa to command the Seventh Canadian Escort Squadron, based at Halifax in September. He has served at Canadian Forces Headquarters, Ottawa, since April, 1963.

He succeeds Captain A. L. Collier, 42, of Kamloops, B.C., who has been appointed to Training Command Headquarters, Winnipeg, in May. Captain Collier was commander of the Seventh Escort Squadron since April, 1966.

#### PPCLI NEWS

The Brigadier's inspection is a thing of the past now. Everyone must be congratulated for a fine turn out, even those that were lucky enough to sit in the lounge during the inspection. The Brigadier told us what he expected of the battalion for the training year and planned a few tasks for the battalion to perform in the afternoon. We must congratulate Lt McManus on his display of drill and we hope that he will cherish the drill stick presented to him by the RSM.

On the 8th May the battalion remembered all their fallen comrades at the battle of Frezenberg by attending a church service in both chapels and a luncheon in the Men's Mess afterward. That night all the Senior NCOs and Officers attended a Mess Dinner in the Home Station Sgts' Mess. The after effect of the Mess Dinner was seen around camp the next day. We are wondering if it was the food that was served or ????

The driver and motorcycle course got under way Tuesday 9th of May. The Bn Rifle Team under the command of Capt Wilkes started practicing on the 9th also. We wish them the best of luck for the coming season. The battalion Soccer and Baseball teams are out on the sports-field practicing. If anyone is interested in representing the battalion, they should contact the team captains.

A few changes were seen in the battalion in May: Maj DS Robertson was posted to the PPCLI Depot as CI, Maj C W Hewson crossposted as Officer Commanding Sp Coy from C Coy, Sgt Pearson promoted to WO2 whilst on course in Montreal and the privates that successfully completed the last Junior NCO course were promoted to the rank of Corporals.

#### AROUND THE BATTALION

Sgt Butler slowly recovering from his operation, Cpl Johnston sporting his new CD, Sgt Witt inquiring about the new Para Regiment, Cpl Zoboski preparing Joyal's travelling claim. Cpl Beaulac going home soon, Our confirmed bachelor Pte Bogle getting married soon, A certain Cps was promoted to the rank of Major and a Major demoted to the rank of Cpl, the advice of this reporter is "OC Sp Coy stay close to your phone". Cpl Brochu tied the knot on Sat 27th of May. Red Light Schuler is back from Borden, Gyselinck waiting for his transfer, Cpl Yeo still wearing combat clothing whilst working in the coy office. A few Senior NCO's hit water and mud on their last para decent.

## 17 ROD NOTES

Since our last entry there have been a few interesting "happenings" worthy of note. The 17 ROD Annual Spring Fling took place on the 28th of April and it can safely be assumed that everyone had a good time judging from the number of people who looked a little "ill" the following Monday. Incidentally, will the person who lost the shirt, sock and tie bar in the novelty dance please collect them from the Stock Control Officer.

What with summer (?) fast approaching, I guess it's not surprising the number of personnel who are leaving or have left the Depot. Capt Gord Gedge has been posted to the Montreal area and is SOS to HQ MOBCOM, Airborne Regiment. Planning Group St. Hubert, on the 31st of May. We all knew he would swing a trip to Expo somehow. Capt Dave Larose will fill the nerve centre position and still carry on as Supply Management Officer.

Cpts Roy Jardine and Ray Hayden trade places officially on the 19th of June, with Roy going to 1 PPCLI as Quartermaster and Ray coming into the "sharp end."

Sgt George Gardiner departs on release on the 22nd of June and although Col Alec McKenzie has already left on the same premise, he returns to 17 ROD as a civilian upholsterer on the 23rd of May. Cpl Joe Genereux is now serving with CBUUNEF. Sgt Lewis has just returned from Cyprus and is now working at 7 SD Lancaster Park. Cpl Ford Marshall has recently been posted to the Depot after spending a 6 month vacation in Cyprus.

Our civilian strength has been cut down by two in that both Ed Lutz and George Skrepyk have resigned. Best wishes from the Depot go with them both.

As some readers may have no-

ticed, the centennial project of the ROD's Stock Control Section is nearing completion. For those who are not familiar with the project, it involves a comprehensive venture into the world of office planning interior decorating, with the result that we have the most colourful and modern-looking office on the base. Newly designed clerks' desks, bright coloured trays and filing cabinets, and rejuvenated walls, ceilings and windows go together to produce the desired modernistic look. Before the year has ended we hope to have all the offices converted from Army drab to "centennial colourful".

## COL. ELLIOTT TO COMMAND UN FORCE IN CYPRUS

Colonel H. C. F. Elliott, 46, of Toronto, has been appointed to command the Canadian contingent of the United Nations Force in Cyprus. He will take up these duties in early July. Col. Elliott will also serve as deputy chief of staff at the U.N. force.

Now commander of CFB Borden, Ont., he succeeds Col. William W. Turner, 45, of Winnipeg, who has been selected to attend the National Defence College. A successor for Col. Elliott will be announced.

## CANADA'S OLDEST VETERANS

William Dickie Mills, a native of London, Ont., and now in his 102nd year, is probably Canada's oldest living veteran.

Mr. Mills, a veteran of the Northwest Field Force (1885 Rebellion), now resides at the DVA Westminster Hospital in London.

Canada's second oldest veteran is probably James Henry Weir who celebrated his 100th birthday, Feb. 8, 1967. Mr. Weir is a veteran of the Canadian expeditionary force of the first world war and a descendant of Judge Rober Stanley Weir, composer of the English version of "O Canada".

Both vintage and modern military aircraft will perform over Ottawa Saturday, June 10, as Armed Forces Day in the national capital takes the form of a salute to half a century of military flying in Canada.

Live and static displays as well as the air show will take place at Canadian Forces Base Rockcliffe.

The base gates will be opened to the public at 10 p.m. Rockcliffe will host a "fly in" of civilian airplane enthusiasts, many of whom are vintage aircraft "buffs". Fly-in deadline is Saturday noon of the 10th.

The air show will begin at 1.30 p.m. with two hours of displays and aerobatics by old military aircraft, including several First World War types. This will be followed by more than an hour of flying by a cross-section of today's flight inventory in the Canadian armed forces.

The Golden Centennaires crack armed forces aerobatic team, will furnish the climax to the show.

by Sgt. E. W. LEWIS

This reporter is happy to announce that WO2 "Hank" Wright, Production Officer at Base Maintenance Section Griesbach (224 Wksp) has taken over the responsibilities of Managing Editor of The Bugle. This position has been in the capable hands of WO1 R. Jackson, Base Sergeant-Major, for the past year. WO2 Wright who has been with the Maintenance Section since January of this year, tells me he is looking forward to a very interesting experience in the field of newspaper editing. All the best in your new endeavour, Hank.

In my last issue I mentioned that Base Maintenance Company was planning to celebrate the 23rd birthday of The RCME Corps on Friday, 12 May. As a climax to the day's festivities a gala Supper Dance was held at the Sands Motor Hotel with some two hundred members of The Corps and their guests in attendance. A vote of thanks goes to all personnel who helped make this birthday a success.

The following is an extract from the Kingston Whig-Standard which will be of interest to all RCME personnel in this area:

"Sailor Takes Salute on RCME Birthday.  
"A land-locked sailor inspected the army in Kingston when the Corps of the Royal Canadian Electrical and Mechanical Engineers celebrated its 23rd birthday.

"Commodore R. W. Timbrell of Winnipeg, a sailor for 30 years, was flown in by the RCAF

to perform the pleasant duty.

"The sun-splashed ceremony on the RCME school's parade square was a tri-service effort — a boon to Defence Minister Paul Hellyer's unified force.

"It marked the first time the navy had taken the army's salute since the school was established in Kingston.

"An air vice-marshal did it last year.

"Friday's inspection was actually two days before the 23rd anniversary of the day personnel were first posted to the corps. It was on May 15, 1944, that the organization first came into being.

"Today, it's the third largest corps in the army.

"During the Second World War the corps provided light aid detachments, recovery units and workshops for formations overseas and in Canada.

"Units, more recently, have served in the Far East during the United Nations operations in Korea and are now stationed in Germany, Egypt and Cyprus".

Base Maintenance (Griesbach) welcomes Mrs Irene Smigelski to the fold. Irene has taken over the typist responsibilities and is looking forward to a long and happy relationship with all personnel of the Company.

Friends of Ssgt "Sandy" Saunders will be happy to know that he has returned from the RCME School, Kingston, Ontario, on successful completion of a RCME engineering course.

## NEW NUMBERING SYSTEM FOR FORCES

Members of the forces will soon be memorizing a new number — their Social Insurance numbers!

A new system based on the Social Insurance numbers assigned to all Canadians will replace the different numbering

systems now in use in the three services. It is expected that all servicemen will come under the new system by early 1968.

Under consideration for some time, the change has already begun. Accounting officers recording deductions for the Canada "SI number."

Pension Plan are now using the

With automation of the Forces' personnel, accounting, statistics and pay systems, the existing service numbers present a few drawbacks — duplication of numbers, irregular length and unsuitability for data processing are a few.

The change to the common numbering system will be made progressively during the course of the year.

The possibility of the "SI number" being adopted for the Forces' reserves is being considered.

MOTIVATION of employees is important — but there's a catch — no two persons are motivated alike.

## PPCLI DEPOT NEWS

Although the signs of spring are not too evident throughout Alberta, here in the PPCLI Depot they are busting out all over. On the 24 Mar 67, Cpl Pearson RJ was presented a baby boy. Now, the whole staff is sitting on the edges of their seats waiting to see what Mrs Summersgill will present to her husband, Sgt Summersgill R H. This one really has us all keyed up, what with having to have a stand-by NCO everytime sergeant is on Orderly Sergeant duties, never knowing when that call will come. During normal duty hours, whenever the sergeant's phone rings, silence reigns supreme and all eyes fall on the sergeant looking for that tell-tale sign. We must admit the sergeant is taking it all in stride as each passing day goes by. But as for the rest of us, we're eager to see the stork arrive and end these anxious moments.

The grand-master of curling, Maj JGW Mills has left us for the middle east. He'll be greatly missed in the curling circle next winter, as he will be here in the Depot. In his place as Chief Instructor, from 1 PPCLI and a former Adjutant of the Depot, we now have with us Maj DS Robertson. Welcome, Sir, and may your stay be a happy and prosperous one.

Another addition to our staff is Lt W N McKerracher a well known figure in this area. A

former WO 2 and QMSI of 2 PPCLI, he was recently commissioned whilst employed at the RCSME in Chiliwack BC. Although we know the weather doesn't agree with him after his sojourn in BC, we know he's glad to be back in the Regimental circle and we're only too glad to have him back.

Other departures on release were L Sgt. Copp GT, Cpl Grey MR, and Cpl Jobin KL. To them, we wish the best on civie street and request they keep in touch with the Home Station or through the Association.

From the First Battalion, to assist in the training of recruits, has come Sgt Paucher JW, L Sgt Barker SR and Cpl Jarbeau CF. Welcome to the Depot and may your efforts with the recruits be rewarding ones.

Into the Jr Ranks Club from the First Battalion to fill the breach created by Cpl Gray's release has come Cpl Thachuk M. A former ration clerk of 2nd Bn, Cpl Thachuk shouldn't find it any more difficult to account for money and empty bottles than he found the job of indenting and accounting for rations. The best to you in your new job Cpl.

As this is only a nine hole golf course and I've just putted the ninth hole, its time to put away my club and call it "The End".

tense muscles and then fun exercises. These help to make the acquaintance of every lady in the class, followed by a well designed series of exercises being careful not to over-exercise one particular part of the body, intermingling the easy and the more difficult movements. Sometimes we add enjoyable dance techniques, finishing with a game or singsong (pingmington).

The fee is 2.00. The proceeds go towards equipment and a final get-together as the instructor and the pianist, are donating their time. So may I take this opportunity to thank "Avis Foster" for her time spent at the piano. It helped to make the exercise flow smoother and more graceful. A job well done Avis.

**Comin Up:** Don't forget the Garden Party June 17 in Shirley Gorham's yard at 13819 - 101 St., PMQ 20, from 2 p.m. If you yearn to sit under a tree again, slip on a dress and sandals and drop around. We've asked the padres and the met boys to arrange lots of sun and 75-degree temperatures.

Canadian Navy, in harbour and at sea, special services will be held.

In Ottawa church services will be held at Knox Presbyterian and St. Patrick's Roman Catholic churches to be followed by a parade to the National War Memorial where wreaths will be placed by the Minister of National Defence The Honourable Paul Hellyer, the Naval Officers' Association of Canada, the Navy League, and the Royal Canadian Naval Association.

After the wreath placing ceremony the Minister will take the salute at the March Past on the lower road of Parliament Hill. Parade participants will consist of contingents from HMCS Gloucester, HMCS Carleton, The Royal Canadian Sea Cadet Corps Falkland and the Royal Canadian Naval Association.

Battle of the Atlantic Sunday is named for the Second World War struggle to maintain the ocean lifeline between North America and Europe. It was to this battle that Canada's main naval effort was directed, and it was here that thousands of Canadians, from all parts of the country and all walks of life contributed in sizeable measure to the ultimate victory.

### BRITISH DEFENCE COLLEGE MEMBERS TO TOUR CANADA

Fifteen members of Britain's Imperial Defence College will tour Canada this summer to gain first hand knowledge of this country's economic, industrial and defence structure as a supplement to their studies.

Tour leader and senior civilian instructor at the College is A. M. MacKintosh.

On arrival in Ottawa Aug. 20 by RAF aircraft from the United States, the group will confer with senior defence and government officials until Aug. 22 when the members depart by air for Toronto where they will be accommodated at the Canadian Forces College. Visits from Toronto will be made to the Welland Canal,

St. Catharines, Ont., and the St. Lawrence Seaway Authority.

On August 24 the group will proceed to Sudbury, Ont., to see the International Nickel Company of Canada, Ltd.

Winnipeg is the next stop where the visitors will meet with the Board of Grain Commissioners Aug. 25.

Enroute to Vancouver on Aug. 26 the party will overfly the British Columbia Hydro Project on the Peace River. On the west coast visits are planned to the control centre of the B.C. Hydro and Power Authority, a lumber mill, and the Pacific National Exhibition, Vancouver.

Members arrive in Calgary Aug. 29 by C.P.R.'s EXPO Ltd. to visit the Alberta Trailer Co., Ltd. Briefings on development of oil, gas and mineral resources in Alberta are scheduled for Aug. 30.

The group arrives in Halifax via RCAF aircraft Aug. 31 and the following day visits Maritime Command headquarters and Canadian Forces Base Shearwater.

Quebec City is the next stop where, on Sept. 2, the party visits the Anglo-American Pulp and Paper Mill Company and the

Musee Du Fort.

Following a tour of EXPO 67, Mobile Command headquarters, Canadian Forces Base St. Hubert and the Montreal Stock Exchange Sept. 4 and 5 the party returns to Britain by air Sept. 6.

### CANADIAN AMBASSADORS JUNIOR HOCKEY STARS

SOEST, Gedmany — Not least among the many ambassadors who create good will for Canada overseas is a junior hockey team comprised of schoolboys whose fathers serve with 4 Canadian Infantry Brigade Group in Germany.

The team, calling themselves the Hemer Canucks, have finished the season as the undisputed European Junior International Invitation Hockey Champions. They won international tournaments against teams from Germany, Holland and France.

In 42 games this year the team won 36, lost 4 and tied 2, with an average of 7 goals for and 2 against per game.

Two of the young players are being considered by professional hockey organization and will be returning to Canada to attend hockey school this summer.

In speaking of the Club, their enthusiastic coach, Captain Stan Self, a Protestant Padre with the Canadian Army Brigade said, "Naturally we are all proud of the team success, but the real worth of the club is that every Canadian boy in this area, whether he can make the club team or not, is afforded the opportunity to play hockey".

Who was it said we have about 30 million laws in the world designed to enforce the ten commandments.

### Public Speaking Award Night

The Superintendent's Public Speaking Award Night was held in the Major General Griesbach auditorium on Monday, April 24. Principal Harold Ulmer explained the purpose of this new aspect of Grade 9 student activities. Initiated by Schools Superintendent, Mr. W. V. McNeil and Major R. E. Gorham, former Official Trustee, the Superintendent's Public Speaking Award Night is

to be annual event. During the year, in their Drama classes, each Grade 9 student has given at least one public speech. A round of eliminations was held to select six finalists who would speak on a topic of their own choice to the public. The six finalists were: Vicki Campbell, Leslie Carlson, Cathy Charnell, Lawrence Falconer, Allan Roe, and Owen Stutt. Superintendent W. V. McNeil introduced the

adjudicators, Mr. Jack Jonasson, Manager, Royal Bank, Mr. Gordon Billings, Bank of Nova Scotia; and Mr. Art Parker. He also introduced each speaker to the audience. Interspersed between each group of two speakers were items of entertainment provided by members of the junior high school, under the direction of Mr. B. Davis who acted as emcee of entertainment. The entertainers provided a colorful atmosphere in their costumes of the Klondike Days period. Darla Gero's tap dance was very well received, as were the items given by Bethany Campbell (Flow Gently, Sweet Afton); Kendra Irwin and Bethany Campbell (Carry Me Back to Old Virginny); Calvin Fleming, Kendra Irwin, and Bethany Campbell (Something Stupid). The guitarists, Ted Alcorn and Bill Boudreau, were supported by Jerry Simmons at the drums. Calvin Fleming, as vocalist, led his boys (The Wall of Noise). We were very grateful for the assistance given by Jerry Simmons, a former student of the class of '66. Also appreciated was the accompaniment of the pianists, Kiksie Loustarinen and Jenny Payne, both of whom volunteered their services at short notice. Mr. McNeil said that the school has a great interest in Public Speaking as major aspect of the Grade 9 Drama program. As chairman of the three adjudicators, Mr. Art Parker said how delighted he was with the speeches given by the six contestants. Especially appreciated was the program of entertainment, winner of the Superintendent's Public Speaking Award was Leslie Carlson; second was Lawrence Falconer; and third, Cathy Charnell. Each received a trophy from Mr. McNeil. Leslie Carlson's name is inscribed on the School Cup for Public Speaking. Cash awards of \$25, \$15, and \$10 were presented by the former School Board Chairman, Major R. E. Gorham.

### Farewell and Welcome!

On Wednesday, May 3, staffs of both schools met in the lounge of the Officers' Mess to bid farewell to Major R. E. and Mrs. Gorham and welcome Squadron Leader C. E. and Mrs. West. Principals Joe Majakey and Harold Ulmer expressed their appreciation of the interest in school life shown by Major Gorham and extended a welcome to Squadron Leader West and his wife on behalf of the teaching staff and administration. President of the Griesbach A.T.A., Mrs. Fisher, presented a bouquet of flowers to Mrs. Gorham. Vice-Principal N. Bodnar, of Brigadier Gault School, made a presentation of desk set to Major Gorham on behalf of the staff. Squadron Leader West will act as Official

Trustee and School Board of the Griesbach and Guthrie Schools. Mrs. Beth Fenton and Miss E. Free poured tea.

### Color Night

The Annual Color Night Ceremonies for the Junior High School will be held at 7:30 p.m. on June 16. Parents and friends are cordially invited. Honor, Merit, and Honorable Mention awards will be presented to students of Grades 7, 8, and 9. Also trophies, now inscribed with names, will be presented to recipients of awards given on the Public Speaking night in April. Tea will be served in the staff and music rooms. A school dance will follow from 9:00 p.m. till midnight.

### Track Meets

On May 25 a District Track Meet was held on the Queen Elizabeth Composite High School grounds. Junior high school students from Griesbach and the neighboring City schools of Killarney and Balwin participated. On May 30 the winners of the District Meets competed for top honors in the City Zonal track meet held at Coronation Park at 3:30 p.m.

### News Snippets

**Major General Griesbach School:** In mid-May the Junior high girls formed a Softball House League team under the direction of Miss-Gilfoil who is helping the girls to improve their game.

On the May 19th long week end, Miss A. Ross took the Grade 8 girls of Miss Liviero's room on a camping trip to Lake Miquelon in the provincial Park near Camrose. Mrs. Kolodychuk's Grade 6 class will stage a play at 2 p.m. on June 10 at the Glenrose Hospital to entertain the shut-ins. This is a centennial project of this class. Two field trips were made recently to Canada Packers and to the Great Western Garment Clothing Factory. These were culminations of enterprise projects.

On May 12 Miss E. Free, with the cooperation of Mr. Wigmore and Mrs. Davidson, took her Grade 6 class to the Military Tattoo at the Edmonton Gardens.

**Brigadier Gault School:** The Elementary School Track Meet will be held on the school grounds about one o'clock on June 9. Parents are welcome, both as spectators and helpers.

A Centennial Talent Show, directed by France Milot, was presented on two occasions to students and once to adults. It was a great success.

Recently, Mr. N. Bodnar's Grade 6 class held a plebiscite to choose the school colors. Six sets of colors were chosen, and these were voted on by pupils of Grades 4-6. By a vast majority they chose for school colors —

red, white, gold, and green.

Provincial and Territorial coats-of-arms have been designed chiefly by teachers. The painting of these has been executed by Mr. Davidson and his staff of caretakers. A map of Canada will be laid out on the playing field, south of the school, in June. Last issue we recorded the numbers of students who have come here from different provinces. When the map is laid out on the grass, it is planned to have students, garbed in the color of that Province, and wearing colored pill-box hats, stand in the area of their respective provinces. Provincial capitals will be marked with the provincial coats of arms, each four feet wide. The services of a helicopter have been secured from the R.C.A.F. as well as a color photographer. A copy of the Centennial Map picture thus taken will be supplied free of charge to each student through funds that have been raised by Brigadier Gault school from time to time, and by a Centennial Grant from the Dominion Government. In addition, a donation of \$50 was received from the Alberta Teachers' Association. Subsequently, these coats-of-arms will be used as a permanent decoration in the school auditorium.

Guest speaker April 25 was  
Mr. R. Wedgewood of Reed's  
China & Gift Shop, who showed  
samples of new dinnerware lines  
and gave an interesting talk on  
manufacturing methods and  
trends, and decoration materials  
and techniques. Then he answer-  
ed questions on glassware, open  
stock patterns and the "why" of  
price variations.

The regular meeting was held  
May 9, with bazaar items in  
evidence. It was the last meeting  
for our Secretary Hazel Oliver,  
who is taking off for Stratford,  
Ontario, while Sgt. Oliver enjoys  
an expense-paid trip to Egypt.  
We also accept with regret the  
resignation of Treasurer Shirley  
Gorham, who will be leaving for  
Ottawa with the family as soon  
as school is out. Also Grace  
Bracken expects to be leaving  
soon. Marion Herbert, Audrey  
Henderson and Betty Mercer will  
be replacing these ladies.

Just to make sure Mrs. Gorham  
is not idle until her departure,  
plans were made to hold a Garden  
Party in her yard June 17. Tea,  
sandwiches and dainties will be  
served, and tickets are 50c.

Donations of \$50. each were  
made to Oakhill Boys' Ranch and

Ladies of Griesbach. We all wish  
her good luck and a safe return.

Our next meeting shall be held  
June 2, 1967, in No. 1 school at  
7:30 p.m. sharp. It shall be our  
last meeting until September,  
1967, and we are having a pot-  
luck supper and a special cen-  
tennial film.

All C.W.L. members are cor-  
dially invited. Come out and have  
a good time.

### SGTS. MESS LADIES' CLUB MEETINGS

The February monthly meeting  
of the Griesbach Sgts. Mess Lad-

Ladies' Club meetings should be  
written up in The Bugle each  
month. At this time I will send  
in the past three meetings and  
try to keep it up to date after  
each meeting from now on.

**REMEMBER** Ladies, it's the 4th  
Wednesday of every month at  
8:30 in the Griesbach Sgts. Mess  
Lounge. Make it a point to come  
out and meet some new members  
plus our "old faithfuls." We  
carry the meetings through the  
summer months. We are quite  
sure you will enjoy yourself.

### JUNIORS

There were 82 registered in the programme. Final test was conducted on 29 April, 1967, by Sgt. Bill Morey, and there were 44 successful in passing their test.

Ian Pullen was supervisor of the juniors and responsible for most of the instruction.

We wish to extend our thanks and appreciation to Ian and those who assisted him for a job well done.

### JUNIOR ARTIFICIAL RESPIRATION

Sgt. Bill Morey conducted classes in artificial respiration and 40 candidates were successful.

Our sincere thanks and congratulations to Bill for the wonderful work that he has done in such a valuable field of our water safety programme.

Edmonton, May 8, 1967 — The Griesbach Junior Rifle Club closed their eighth consecutive shooting season with a social evening at the Leonforte Building, Hamilton Gault Barracks, tonight.

The reception was the climax of seven months of Sunday afternoon rifle meets held at the indoor range in Hamilton Gault Barracks, with a final four target competition held on April 30 and May 7.

Thirty boys and girls ranging in age from 14 to 17 participated in the year's activities, with 17 winning Dominion Marksman awards.

The presentation of prizes was made by Major W. Stutt, Commanding Officer of the PPCLI Depot.

Refreshments for the evening were provided by Maple Leaf Services and the PPCLI Depot.

Prize winners of the Griesbach Junior Rifle Club (left to right) rear, Ron White, Wyndhan Webb, Pat Henderson, Jim Larkin, Greg Bowen, Jim Laroche, Bob Larkin, Doug Weeks, Ken Carlson. Front row (left to right), Peggy Webb, Robin Stutt, Caroline Webb, Mrs. V. Webb (statistician), Capt. A. Weeks (chief coach), Janet McCannel, Bonie Weeks. Sitting: Mark Russel, Stephen Webb.

## Letter of THANKS

I wish to take this opportunity to thank all the leaders of the winter programme who volunteered their time and sacrificed week-ends to carry out their responsibilities. I also wish to thank the parents who showed interest in attending classes or ensuring their children lived up to their responsibilities for which they signified by registering for a particular activity. Finally, I wish to congratulate those children who attended the classes they registered for regularly. It is difficult to live up to an agreement which one has made two months previous. It must be remembered that when instructors, supervisors, volunteer their time it is the responsibility of the family to ensure that regular attendance is maintained.

The Griesbach Community Association feels that this past winter programme has been successful in achieving our aims and that over 600 children were provided with activities from arts and crafts to physical activities. All the credit for this programme must go to the volunteer leaders who spend many hours in preparation, instructing and evaluating.

### WATER SAFETY PROGRAMME

#### Beginners

Swimming classes for beginners started October 15, 1966. Testing at the beginner level was carried out throughout the programme and those passing were moved up to juniors.

The final test was carried on April 22 with 54 passing. There were 135 beginners registered

throughout the year.

QMSI Mason (supervisor); Lt. Griesbach (instructor); Sgt Davis (inst.); Sgt Butler (inst.); Cpl MacFadzen (assistant); Bill Boudreau (assistant); Gail White (assistant); Pte Dixon (assistant); Barb West (assistant); West Bell (assistant); Betty Knight (assistant); Carol Holmes (assistant); Pat Haase (assistant).

### ARTS AND CRAFTS

The arts and crafts classes provided children with the basic steps in painting and the crafts

of the children through the building of articles.

Mr. David Twigg, a fourth year art student from the University of Alberta, was the instructor.

### KEEP FIT MEMBERS

These ladies usually come to keep fit for one or more reasons.

1. To meet people and make new friends.
2. To improve figure faults and relax tense muscles.
3. To become more graceful.

4. To learn dance techniques.
5. To improve coordination-health-posture.

In order to meet the needs of the above, We have a "workout" for about an hour and a half, including warm-ups, which relaxes

## To Show Rare War Art

A collection of Canadian war art, much of which has not been exhibited in Canada since the 1920s, will go on display in Ottawa's Centennial Centre during National Veterans Week, June 11 to 17.

The theme of the exhibition, selected by the National Gallery of Canada's curator of war collections, R.F. Woodhouse, will be "Fifty Years from Vimy", and will feature the 10 by 20 foot "Taking of Vimy Ridge" by English artist Richard Jack.

Other artists represented in the collection will include Inglis Sheldon-Williams (1870 - 1940); Sir David Cameron (1865-1945); C.R. Nevinson (1889 - 1946); Eric Kennington (1888 - 1960); and Maurice Cullen (1866-1934).

## SWITCH ROLES

SOEST, Germany — The Corps march-past of the RCASC — "Wait for the Wagon" — struck an appropriate note when members of 1 Transport Company serving here with Canada's NATO Brigade reversed roles with the RCAF and roadlifted the people who normally airlift the Army.

The switch evolved from the relocation of RCAF's 1 Fighter

Wing from Marville, France to their new base at Lahr, Germany.

To help carry out the move 103 members of 1 Transport Coy with 25 5-ton trucks ran a 15 day round - the - clock massive shuttle service that moved 300 loads of mixed freight and logged 167,792 miles of driving.

## Wins Suggestion Award

SOEST, Germany — A Canadian Army officer stationed in Germany with the 4th Canadian Infantry Brigade Group has been awarded \$1,630 by the Suggestion Award Committee.

He is Major James W. Duncan of Moos Jaw, Sask., Commanding Officer of 1 Transport Company.

A member of the Royal Canadian Army Service Corps, Maj. Duncan has devised an improved method of securing M113 Armoured Personnel Carriers when being transported by rail or road from home stations, training areas, and recovery stations.

Transportation by these methods are necessary to conserve vehicle track life in view of distances involved. The method will realize an annual saving to the taxpayer of over \$74,000.

## RE-COMMISSIONED

Esquimalt, B.C. — A little ship is getting ready to handle a big job this summer with the Pacific Maritime Command.

After three years in cold reserve, the minesweeper Cowichan was re-commissioned into the fleet last April 28, and is now set for a busy schedule of cruises designed to provide practical sea training to naval reserve personnel, and naval officer cadets.

Under the command of Lieut. James Buchan, Cictoria, the Cowichan has completed a series of work-ups in the Georgia Strait area. The sturdy little ship will complete a 10-day training cruise in nearby waters on May 25. Aboard for training in ship handling, navigation, chatwork and general seamanship will be about 12 University Naval Training Division cadets, and several naval reserve officers. The cruise will include a three-day visit to Ucluelet, on the west coast of Vancouver Island, at the request of the Canadian Legion at that port. Later the Cowichan will conduct further exercises in the San Juan Islands area.

The 152-foot HMCS Cowichan has a ship's company of five officers and 27 men. From now until summer's end, she will carry out a continuing series of two-week training cruises in B.C. and Washington State waters.

EXPO VISITORS — Three of the four ships of the Halifax-based Seventh Canadian Escort Squadron are shown here berthed at the Marc Druoin Pier at the Expo 67 Site for the opening ceremonies of the world's fair. The ships are the helicopter-destroyers Assiniboine, Ottawa and Margaree and the destroyer escort Chaudiere, carrying a total of 800 officers and men. Following the visit to the fair the ships left Montreal to visit communities along the St. Lawrence en route to Halifax.

## "VAN DOOS" WIN MARCH

HOOGEVEEN, Holland — A 23-man contingent from the 2nd Battalion, Royal 22nd Regiment, has outmarched 37 other military teams to win the 16th annual Maple Leaf Marches.

Thousands of local residents turned out to cheer the "Van Doo" team which took the top award for Canada for the fifth time. It was the third consecutive year a Canadian entry has won.

The annual event was started in 1952 by the Hoogeveen police force to honor the memory of Canadians who gave their lives in liberating Northern Holland from Nazi occupation.

The winning contingent was led by Lt. J.P.R. Girard, of Quebec City.

Other Canadian teams were from the 2nd Battalion Royal Canadian Regiment, led by Second Lt. J.F. Cruse, Kingston, Ont., (fourth place); and a team from the 2nd Battalion, Princess Patricia's Canadian Light Infantry, led by Lt. G.M. Reay, which placed fifth.

Military teams marched a 15½-mile course (25 kilometers) which winds over cobblestone roads, bicycle and canal paths and through steets. These teams are observed by judges at concealed points along the route and each team was judged on their marching ability, bearing and discipline.

## NEW BOOK

The Armed Forces of Canada, 1867-1967 tells in one book the story of Canada's three fighting services.

This centennial project of the defence departments is published by the Queen's Printer, Ottawa, and goes on sale for \$6 a copy early this summer.

Members of the directorate of history at forces headquarters wrote the text with Lt.-Col. D.J. Goodspeed, senior historian, as editor.

The book traces the origins and development of the Canadian armed forces during the past 100 years, and separate chapters cover the rapidly-changing nuclear age after 1945, and Canada's peace-keeping operations around the world.

The 270 pages are illustrated with about 250 photos, 35 of them in colour and some useful maps.

Gen. J.V. Allard, chief of defence staff, introducing the book to servicemen, said in part:

"Although Canadians have never been a militaristic people, the record of the nation's fighting services has been a distinguished one, and the impact that Canada has made on the rest of the world has in very large part been made by her soldiers, sailors and airmen, both in peace and in war."

It is the first time in history there's been a history of Canada's three services told in the one volume.

DON'T confuse personal and job responsibilities, for the first is oriented around yourself while the latter is related to a group — which must benefit from manager decision.

Enthusiasm can overcome fear of ideas, people, places and even competitors.

The Griesbach Base Mixed Bowling League officially came to a close and the Annual Wind-Up Banquet was held in the PT Lounge. Leonforte Building on the evening of 19 May, 1967. A wonderful turkey dinner with exquisite wines tended to round out a wonderful evening. The dance was held from 2100 hrs to 0100 hrs. Prizes were donated by Woodward's, Jack's Esso and Vic super Drugs for door prizes, spot dances, etc.

We wish to express our thanks to the firms mentioned for their generosity in helping to make the whole evening a most enjoyable one.

WO1 George Seguin acted as Master of Ceremonies and in his inimitable French style added immensely to the festivities.

The Odeon Trophy, with miniatures for each player, for the high pin-fall of the season was won by the Lucky Strikes (1st place). Team members — Bernie Pierce, Irene Pierce, Gery Colquhoun, Sharon Beach, Nick Ostarichuk and Olive Bruens.

## Son Receives Wings from Dad

A wartime fighter pilot was able to present his own wings to his son who graduated this spring from CFB Gimli, Man., as top student pilot.

Fred Richards of London, Ont., was an RCAF flight lieutenant in the Second World War. Shot down over occupied Holland in 1944 he had been reported missing when son, Fred Jr., was born. He evaded capture however and returned to his unit.

His son entered the RCAF late in 1965 and currently is an instructor on T-33 jet trainers,

### Just Who DID Take The Queen's Shilling

A century ago, there was no regular Canadian army, but two types of militia existed for the protection of the country.

The Secondary Militia encompassed practically all men between the ages of 18 and 60. This force was mustered annually and was unpaid.

The Volunteer Militia was active, composed of corps raised by voluntary enlistment. It was the forerunner of the present militia, or reserve army.

In Ontario and Quebec there were 596 companies with a normal strength of 33,754 men. Fifty-one units were artillery.

They weren't paid unless called out as they were for example, at the time of the Fenian Raids of 1866 and 1870.

A century ago Canada was garrisoned by British regulars. Today the Canadian Army (Regular numbers 42,431 and the militia about 50,000. Total strength of the Canadian regular armed forces was 105,584 on March 31, 1967.
